SPEAKERS:

Ned Hydeke- Palo Verde Irrigation History, concerns and looking towards the future.

Ned was born and raised in the Palo Verde Valley and is a retired Lieutenant of the Riverside County Sheriff's office. He has served on the Board at Palo Verde College and has been an instructor of Criminal Justice Course at the College. He has been the General Manager of the Palo Verde Irrigation District for the past 6 years.

Debra Stroschein Keenan- Facts about Glyphosate

Debra was also born and raised in the Palo Verde Valley. She has a Bachelor of Science degree in Crop Science from Cal Poly San Luis Obispo and a Masters of Science in Pest Management from UC Riverside. She has served on many boards including held various offices. She was the first female president of the National Alliance of Independent Crop Consultants. She is also a Weed Science instructor at Chico State University. She is the owner of Research 2000, conducting trials within the field of agriculture for all of the major manufacturers. She is co-owner and manager of the Stroschein Family Farm, a farm of over 1500 acres in the Palo Verde Valley.
